# Welcome to hemingway's Manly

Inspired by the timeless charm of Montmartre and the vibrant spirit of Manly, Hemingway's brings the soul of a Parisian bistro to the Northern Beaches.

Since 2014, our family-owned venue has celebrated the art of French dining; authentic flavours, warm hospitality, and the convivial spirit of the bistro, reimagined by the sea.

From the first coffee of the morning to a late-night cocktail, every detail is designed to gather people around generous food, fine wines, and a lively, welcoming atmosphere.

Whether you're here for a relaxed beachside brunch or an elegant dinner, Hemingway's offers the best of both worlds — the relaxed ease of Manly and the timeless traditions of French cuisine.

# A space designed for connection

Tucked away upstairs with views over the beachfront and glimpses of the sparkling ocean, our private dining room offers an intimate hideaway in the heart of Manly.

Designed for both sophistication and ease, the space adapts seamlessly to your event:

With its cosy décor, welcoming ambiance, and attentive service, the room brings people together in true French fashion — where good food, wine, and conversation flow naturally.

It provides the perfect backdrop for memorable events, from corporate functions and milestone celebrations to any occasion you want to make truly unforgettable.
